

**Camp Director
Jeff Trumbauer**

Coach Trumbauer is entering his sixth season as head men's basketball coach at Jamestown College. He has been a college coach for eleven seasons and directed basketball camps throughout the Midwest for the past 14 years. He looks forward to teaching the same concepts that he has used to develop his college players. During his tenure at Jamestown, Trumbauer has developed 6 All-Americans and 11 All-Conference players. The Jimmie coaching staff prides themselves on the development of their players and implements the same skill development philosophy in their camps.

Coach Trumbauer Comments:

“Drilling for skill is what separates the good players from the great ones. I am excited to work with you and help you achieve your goals as a basketball player. My staff and I are committed to making camp competitive, educational and enjoyable.”
