\*\*\*Please make copies of the registration page so each player submits a registration form\*\*\*

**Dear Coach,**

Enclosed you should find all the information necessary for joining the **Jamestown College Summer Basketball Team League**. If you have any questions, please feel free to give me a call or send me an e-mail. The league is for players who you think will compete at the **varsity or junior varsity level next year**. This year's seniors are not allowed in the league.

Please **make copies of the registration forms**, pass them out, and remind the athletes to get them turned in **as soon as possible**. Ideally, I would like to have all of them give their registration form and fee to you, then you could send them in together. Also, **copy and hand out the player's information form** as well. I will send you a complete schedule of games for the summer once I have all teams' registration forms in.

Please encourage your team to make it every week. Also, please have the girls wear the same jersey color. This will make it easier to distinguish who is on each team, and it will make it much easier for the officials.

Thanks again for your interest and I hope you have a great summer.

Mark Wiest

Please list the girls who are going to participate and send it back with the registration forms to: Mark Wiest, 6077 College Lane, Jamestown, ND 58405. Also, please choose a contact person for your team.....someone I can call to relay information to the group if something comes up.

## 2009 Jamestown College Summer Girl's Basketball Team League

### Players Information

Following is the information you need for the league. Play hard and have fun!

**Dates.** League will be held on **Tuesday nights** in June and July. We will **begin the league on Tuesday, June 2<sup>nd</sup>**. **Games will begin at 6:00** each night and go until 8:30. **Each team will play two games per night.** Please try to have your team at the gym at least 15 minutes prior to playing and make sure that your team has at least 5 players. If your team does not show up, they will forfeit that game. **Please call me ahead of time if your team cannot make it.** Teams are in this league to play, and it's awful disappointing when they show up for a game and the opponent isn't there. I can always find a game for them if I know you can't make it. **Please let me know** and as soon as possible.

**Location.** The league will use the gyms on the campus of Jamestown College and Jamestown High School.

**What to Bring?** Each team needs to have matching jerseys. Basketballs will be provided.

**A complete schedule of games and locations will be mailed out in May to your Coach who will then distribute them to all participants.**

### League Rules:

- Each team will play two games per night. Each game will be 22 minutes long. The clock will stop the last two minutes of the game if the score is within 10 points. If the clock is stopping, FT's will be shot the last two minutes of the game.
- No pressing until last 2 minutes, if the score is within 10.
- Any overtime periods will be 3 minutes in length. The clock will again stop the last two minutes of overtime.
- Common fouls are 1 point + the ball. **No point is given for a player control foul.**
- Shooting fouls are 2 points, ball is given to defense.
- Shooting fouls where the basket is made are 3 points.
- Each team gets 1 full time out per half.
- Substitutions will be made every 5 minutes. The last 5 minutes of the game, teams may have whoever they want in the game and sub on dead ball only.
- Each technical foul assessed to a player will result in the removal of the player from the game plus two points for the other team. If a player receives a second technical during the season, she will be ejected from the league.
- Notify Coach Wiest at least a week in advance if for any reason your team will not make its scheduled game.
- Have Fun!
